 - b. Email hosting
 - c. Domain registration
 - d. Customized reports
 2. Website Implementation Consulting & Initial Setup:
 - a. Unlimited photo download from Media Manager
 - b. Unlimited content migration from existing 3rd party platforms
 - i. Content migration will not exceed 20 pages. Additional page migration will incur additional fees, if the Customer wants Zywave to migrate content on their behalf.
 - c. Specific types of custom design, custom development, and integration with 3rd parties such as the following: Logo and other marketing collateral creation or adjustment, API Integrations, website structural adjustments to templates or template parts, etc.
 - d. Once Customer agrees to website layout, a Statement of Work will be required for any website layout change(s)
 - e. Layout changes after initial implementation. A Statement of Work will be required for any ongoing layout changes.
 3. Digital Marketing Services:
 - a. Creation or customization of content beyond choice of one (1) custom website page or one (1) custom blog per month
 - b. Administrative, content, design, or configuration website changes for requested by Customer including requests that are available for Customer to perform directly through the website platform
 - c. Guidance and consultation on setting up and optimizing Google Business Profile beyond the up to five (5) pages included
- d. **Expiration.** All One Time Implementation Professional Services are subject to the Zywave Cancellation Policy available at <https://www.zywave.com/training-cancellation-policy>. Any unused One Time Implementation Professional Services Fees will expire 6 months from date of purchase. Any Professional Services performed following such expiration will require an additional Professional Services Fee at Zywave's then-current rates.

- e. **Billing.** The One Time Implementation Professional Services Fee is due upon execution of this Agreement. Zywave will bill Customer for reasonable and actual travel, living expenses (if applicable) and related incidental expenses incurred by Zywave's personnel in rendering the Services.

IV. **Continued Success.** Applicable only if Professional Services – Recurring Services purchased within corresponding Product Schedule.

- a. **Duration.** Ongoing for the duration of the Term based on Customer's responsiveness and availability.
- b. **Inclusions.** The following may be provided as part of this agreement, depending upon Customer engagement.
 - i. All service requests are reviewed for feasibility and scope alignment. Zywave reserves the right, in its sole discretion, to decline or re-scope requests that fall outside the capabilities of this service package. Requests determined to be outside the defined scope, technically infeasible, or requiring additional development, legal approval, or non-standard effort will not be performed without a mutually executed Statement of Work or applicable change order.
- c. **Exclusions.** For avoidance of doubt, the following are not included in this agreement and, if applicable, require an additional service agreement and subsequent cost estimate.
 - i. On-site training, consulting, or other service work at Customer or Zywave physical locations
 - ii. Services provided in existing Zywave Service Offerings
 - iii. Custom reporting, data extracts, and data back-ups
 - iv. Industry specific trainings nor trainings unrelated to Hosted Application
 - v. Entering Carrier credentials for binding/quoting
 - vi. Data and/or account moves or merges, which included but is not limited to:
 - 1. Technical moves or merges as a result of a merger or acquisition
 - 2. Agency Data Merge
 - 3. Transitioning Hosted Application access between accounts and/or BIDs
 - vii. Custom work, which includes but is not limited to:
 - 1. Custom integrations not already supported by the platform
 - 2. Custom development, that includes API development, scripting, or middleware setup
 - 3. Creation of custom content on behalf of the Customer nor custom e-learning materials
 - 4. Administrative, content, design, or configuration website changes for requested by Customer including requests that are available for Customer to perform directly through the website platform
 - viii. Services do not include enabling Customer's clients to submit service requests directly, as all such requests must be initiated solely by the Customer.
 - ix. Zywave will not act as the Customer's system administrator or provide staff-augmentation services to support the Customer's day-to-day operational tasks.
